

Biography

Yanhua Yang, vice dean of School of Nuclear Science and Engineering, Shanghai Jiao Tong University. Member of China National Nuclear Safety Committee, Women Steering Committee of Chinese Nuclear Society, China Nuclear Education Guiding Committee. Research Subjects is Numerical simulation of multi-phase flow and heat transfer (Code development and analysis), Theoretical and experimental investigations on water-vapor two phase flow and heat transfer, Development of nuclear plant simulator and analyzer.

Main Scientific Career:

since Sept.1999: Professor, Department of Nuclear Science and System Engineering, Shanghai Jiao Tong University. Jan. 2002-April 2006: Director of the Department of Nuclear Science and System Engineering, Shanghai Jiao Tong University. Oct. 1996-Sept.1999: Special Research Fellowship of Japanese Science and Technology Foundation in Japan Atomic Energy Research Institute (JAERI). Tokai Mura, Japan.
